

KIDSZONE

FOOD AND FOOD ITEMS

For your convenience, we provide Oatees and water in the classrooms of toddler & preschool aged children. Oatees are wheat free as they are made of oats corn and rice. For the safety of other children, we request that parents avoid packing nuts, sweets and fizzy drinks as snacks for their kid's in Kidszone.

The following toddler and preschool classes receive oatees unless otherwise instructed by parents:

- **Baby Stars**
- **Little Stars**
- **Twinkle Stars**
- **Shooting Stars** plus a few raisins in the same container
- **Shining Stars** (includes Grades R/0) plus a few raisins in the same container

Labelling Bags, Clothes and Bottles

Please may you label all bags, coats, water bottles and other items like comfy blankets that your child brings to Kidszone. For our toddlers, milk bottles, sippie cups, teddies, dummies, etc., should also be labelled. We encourage parents to pack a complete change of clothing and extra panties or undies especially in the potty training season.

Toys, Games and Phones

We encourage parents/guardians to keep all toys, phones, tablets and sunglasses with them or in their car. We provide age appropriate toys and games for the time your child is in Kidszone.

Wellness

Children who have shown signs of fever, vomiting or other contagious illness should be symptom- and fever-free for 24 hours before coming to Kidszone.
