

## **We invite you and your child to be part of all that is happening at Kidszone!**

Kidszone is our Children's Church that exists to develop your child's spiritual life. Available for children aged 12 months – Grade 6, Kidszone is a safe and secure environment where they can meet new friends, have fun and learn about God in a relevant way. Kidszone runs simultaneously to all weekend services at all of our campuses, offering your child exciting worship and practical, age-appropriate Bible-based ministry provided by our children's church pastor and team.

### **Security**

The safety and security of your child is of utmost importance to us. As such, you and your children will receive identification stickers upon check-in prior to the start of the service. When collecting your children after the service, your sticker needs to be presented to gain access to their venue. You are required to remain on campus for the duration of the time that your children are at Kidszone.

### **Separation Anxiety**

Teary and tantrum-filled goodbyes are a common part of a child's early years. Understanding what your child is going through and having a few coping strategies can help both of you get through it. Feel free to ask for a Separation Anxiety hand out for more information.

**We are passionate about the younger generation and highly value you and your children. We are looking forward to welcoming you to Kidszone.**
