WELCOME

TO OUR CHURCH FAMILY

Rivers is a dynamic church that offers inspirational, practical and motivational Bible teaching for people of all ages, races, and social and economic backgrounds. We are a safe and clean environment that is thoroughly sanitised after each service. You and your family can worship in-person in relative safety if they observe social distancing and wear masks as a wise precaution.

We are a Christ-centred church that preaches the truth about Jesus in a fresh, illustrative and creative way. We actively reach out to embrace people through services, television, our foundation to the poor and community relationships. As a result, we are a fast-growing church that started with seventy people and currently exceeds 15 000 over the weekends, with more than 20 000 who call Rivers home across our five campuses located in Sandton, Kyalami, Centurion, Durban North and Ballito.

We love God passionately, love people unconditionally and live life purposefully. We believe in our nation and are totally committed to serving the purposes of God and making a significant difference to the lives of people in their spiritual, social, emotional and physical worlds. Rivers aims for excellence in every area of ministry because we place high value on the church and its ministry to people. We believe that God is good and that He wants to help, bless, grow, enlarge, change and release people's potential. We are committed to bringing the grace of God into the lives of needy and broken people through the love of God.

Weekend services are geared to inspire and equip the whole family. Our exciting Kidszone Children's Church provides a FULL children's programme during all weekend services and we have junior youth and youth ministries that build into the lives of each age group. If you are visiting us for the first time, we hope that you will feel welcome and relaxed, and that you will enjoy your experience of God and His church on our campus today. Most of all, we hope you will visit us again and we look forward to welcoming you into the Rivers family.

DURBAN NORTH

CAMPUS

Rivers Durban North was officially opened on the 26th of August 2006 after a significant refurbishment of the facility. Since then it has grown steadily with people coming to know Christ, being baptised, being welcomed into partnership, serving in ministry and getting behind the vision. We believe that this church has a wonderful atmosphere and great potential for reaching and helping people in the city of Durban.

Senior Pastors André and Wilma have a heart for our five campuses, which enables them to love and guide Rivers effectively. Our versatile team of staff and volunteers handle the running of the weekly meetings on all campuses. Durban North is lead by Ps Dean and Ps Janet Ivey, assisted by competent staff, in order to carry the responsibility of the day-to-day needs of the church.

THROUGH THE WORD

RIVERS VISION

- To worship God passionately and present Jesus Christ in a relevant, contemporary setting where the positive, practical Word of God is understood and applied. To experience the amazing grace and presence of Jesus Christ and see lives changed through His mercy, kindness and love.
- To reach unchurched people and continually grow our churches in both size and depth. To keep reaching, helping and influencing thousands of people through everything we do on all our campuses.
- For all partners to be connected, making friends and supporting one another as they enjoy life together. Everyone should be connected to church even though online is a great safe option. In-person gatherings and connection are extremely valuable.
- To help each partner discover their purpose, spiritual gifts and potential, so that they are empowered to serve the purposes of God as volunteers or staff at Rivers. Everyone should serve in some way.
- To train and equip through our midweek Discipleship College short courses that are both practical and theological. Everyone should deepen their relationship with God and mature spiritually, as well as be trained for leadership, so that they can be successful in every sphere of life.
- To develop leadership and a strong sense of spiritual responsibility in our young people so as to sustain a strong, influential church for the generations.
- To add thriving campuses across the nation in addition to Sandton, Kyalami, Centurion, Durban North and Ballito that are significant and influential, and vitally linked as one church family, with team ministry and live ministry feeds.
- To continue to reach, influence, motivate and inspire people across the world through Life By Design, our weekly television programme.

RIVERS VALUES

1. THE WORD OF GOD

We believe that the Bible is the inspired Word of God and is relevant and necessary for practical godly living and success.

2. THE HOLY SPIRIT

We believe that an essential part of living a successful and victorious Christian life is being baptised, filled and led by the Holy Spirit.

3. THE PRESENCE AND TOUCH OF GOD ON EVERYTHING

We value the tangible presence of God in our lives as a source of God's grace, comfort and refreshing. We believe that there should be a distinctive touch of God on our services and ministries. God must be seen and felt, and Jesus must be at the centre of all our services.

4. DYNAMIC PRAISE AND WORSHIP

We value, honour and make great the name and character of our God through exciting, dynamic, energetic and contemporary praise and worship.

5. RELATIONSHIPS

We value all people on the basis of the great commandment – to love our neighbour as ourselves. We value relationships that unite people regardless of age, race, gender, social standing or economic level. Sexual purity in romantic relationships is essential for building godly lives. Everyone should be plugged into church life through relationships, not programmes. We should cultivate friendships with non-believers so as to reach and love our community. We encourage and value respectful relationships between people and their leaders as one of the keys to a healthy, united church. Being online, though practical and safe, can never substitute for building real in-person relationships in the kingdom.

6. CHARACTER AND INTEGRITY

We believe that character is more important than gifting, and that a godly life brings honour and respect to the church of God, and increased influence in the world. True believing should affect our behaviour, and believers should be people of the highest integrity, honesty and trustworthiness in family, business and social spheres.

7. A PRAYER LIFESTYLE

Prayer is a means of empowering ourselves and accomplishing the will of God on the earth. We have prayer meetings, prayer in Connect Groups and prayer as a lifestyle that permeates every activity of life.

8. EXCELLENCE

We believe in doing the very best for God in every aspect of our lives and ministries. God's people and facilities should reflect the God of excellence whom we serve. This is encapsulated in the following phrases: "finding a way to win" and "only the best for God". Punctuality is also a value that reflects excellence.

9. FINANCIAL PARTNERSHIP

We believe that all members should be faithful financial partners with their local church so as to empower and equip us for ongoing impact. We believe that money is an essential ingredient of an effective and influential church.

10. THE FAMILY

We believe in strong marriages and healthy families as they are the foundation of a godly nation. We provide a course to prepare couples for successful marriages. We help strengthen and restore families and marriages through preaching, teaching and pastoral care. We provide help, spiritual support and encouragement for single parents and those in broken homes.

11. NON-RACIAL, NON-SEXIST COMMUNITY

Rivers is a non-racial, non-sexist, fully integrated church. We believe that a truly South African and global church should include all nationalities and race groups, and have both men and women serving in ministry.

12. CHURCH GROWTH AND CHURCH HEALTH

We believe that our church should be both large and healthy. Our goal is to reach and help as many people as possible, integrating them as totally committed disciples of Christ who have made a partnership commitment to serve in this church. One of the signs of health is increase.

The church that is not reaching out is passing out. We have a sense of warmth, family and community despite large numbers. Community is an attitude and a value rather than a product of a small church.

13. GENERATIONAL MINISTRY

At Rivers, all age groups have a part to play in the life of the church. Our young people are not the church of tomorrow but the church of today. We include young people in all ministries so that they learn to carry spiritual responsibility from a young age. We are raising and developing their gifts and abilities so as to have godly young people and a steady flow of emerging leaders. Our unique Kidszone ministry centre bears testament to the fact that we are serious about the next generation.

14. THE POOR

We believe that our church should make a significant social contribution to the world's poor. We help poor and underprivileged communities in many practical ways so as to lift the level of their lives. We believe that we are blessed to be a blessing to others and that faith without works is dead. The Rivers Foundation and Connect Groups are our key avenues for showing compassion and giving financial aid and service to the poor. We believe in community upliftment.

15. BEING A RESOURCE CHURCH

Our conferences as well as our Discipleship College equip believers to be successful and fruitful in their personal, family, business and spiritual lives, with the Rivers Network being a resource to the wider body of Christ. Conferences create an intensive opportunity to inspire believers as well as pastors from other churches. Our Resource Centre provides carefully selected resources to direct and shape the Rivers culture and equip people for success.

16. HEALING

Emotional: Jesus came to bind the brokenhearted and restore dignity and purpose to every human being. We believe that God heals and restores lives and marriages as we follow Him, serve Him and sit under the teaching of the Word. God also works through the wise counsel and loving care of our trained pastoral team.

Physical: According to the promises of God, every believer is entitled to believe for physical health and wellness. This can come through prayer in services, the laying on of hands or the appropriation by the believer of the Word of God.

17. OUTWARD FOCUS

We believe that our church must always be reaching out at every opportunity to introduce people to Christ. We always try to keep our circle of fellowship open with a friendly, accepting attitude that welcomes and includes newcomers. We have a connection time in all services so as to build a bridge to newcomers. A response time at the end is the most important part of our service as the opportunity to welcome and receive people into the body of Christ.

18. DISCIPLESHIP AND MINISTRY INVOLVEMENT

We believe that attenders should become disciples who grow into fully devoted followers of Christ, who stand through trials and serve the purposes of God. Every believer has a God-given gift that they need to discover

and offer in service for the enriching of the body of Christ. We encourage attenders to become partners and fully committed members who serve God with their time, talent and treasure. It is a biblical principle that ALL people are involved and serve in their local church, not just the salaried staff.

19. CELEBRATION

We believe that our daily lives and service to God should be accompanied by a spirit of fun, celebration and joy. A large, ever-expanding life can be lived to the full without over-indulgence and sin. Our church services and ministry are accompanied by a sense of fun, humour, celebration and community, whilst not losing the true spirit of worship and honouring God. While enjoying church online is an option, being together is very special and there is a corporate anointing during in-person worship that can never be duplicated online. Online should be viewed as helpful but not ideal.

20. PATRIOTISM

We believe our nation can overcome its weaknesses and develop to reach its true potential. The church should be supportive, loyal and patriotic. While not overlooking the issues, negative and critical talk should not be part of our vocabulary. We should speak well of our nation and its leaders, always highlighting the possibilities and potential as our church endeavours to play a part in building the nation.

SISTERS

Our women's ministry, founded by Ps Wilma, sees women doing life together, growing and celebrating womanhood. Women and teenagers from all walks of life are welcomed into an atmosphere of love and friendship. We worship God together and learn from His Word. Women are inspired to live victorious lives in a world where they often accept defeat as a norm. If you feel rejected and isolated, we will show you acceptance. If you have been battered and are suffering ill health, we will minister healing. If you feel broken, we will point you to the One who can make you whole. Sisters Nights are held once a month on a Friday evening across our campuses. An action-packed, gender-specific children's programme is offered at Kidszone on Sisters Nights. In addition, Rivers hosts the annual Sisters of Africa Women's Conference with outstanding international speakers. Come and be transformed by the presence of God. Ps Janet and her gorgeous team are ready to welcome you!

JUNIOR YOUTH

CONNECT GROUPS

Connect Groups bring people together around friendship and an informal Word study. They are held in casual settings like homes, cafés and restaurants, where you can enjoy a meal, coffee or an activity with good friends. Numerous groups exist in suburbs all over the city catering for a wide variety of interests.

DISCIPLESHIP COLLEGE

Join us for short, valuable courses on Tuesday nights from 7-9pm, with excellent teaching that will equip you for life change. Two terms run each year with a variety of course topics available. There are no tests or exams. While weekend services reach and inspire people; Tuesday nights develop and grow people. Topics include: spiritual development, business development, marriage and family, biblical studies, leadership, personal development, outreach, communication, prosperity, how to interpret the Bible, books of the Bible, parenting, money management, creation studies and premarital preparation. Grow your theological knowledge and equip yourself with our practical leadership courses every year. For more information visit the Information Counter for a brochure.

VOLUNTEER OPPORTUNITIES

They are passionately committed to building all their congregations into churches of blessing and significance.

FULL TIME STAFF

Rivers Church employs a large number of competent staff across its campuses in order to carry the responsibility of the day-to-day needs of the church. This team is released by the senior pastors to provide high standards of ministry effectiveness and excellence, as well as loving pastoral care.

BOARD

The board's role is that of governance-oversight, monitoring best practice and adhering to legislated requirements, comprising of executive and non-executive members with the chairperson of the board being non-executive. Directors of the board do not receive remuneration in respect of their roles and responsibilities. All board directors also serve as elders.

The senior pastors select elders from spiritually mature long-serving congregation members and senior staff members. The senior pastor is the chairperson of the elders. The role of the elders is to offer perspective and assist the senior pastors in maintaining the spiritual health of the church.

The board brings godly wisdom and sound financial expertise to the organisation. The senior pastors have full leadership to direct the church but have no ownership of any assets of the church.

The senior pastors and board are responsible for the management of the church. Audited internal controls are adhered to in the handling, banking and spending of church finances. They are offered for FREE by our pastoral team throughout the year. Please visit our website or enquire at the Information Counter in the main church foyer for course dates. The Getting Started Course will help you gain a basic understanding of Christianity and help you lay a strong foundation of faith from the start. Our Partnership Course highlights the importance of partnering with the local church and becoming a committed member.

HOW TO JOIN US

We invite you to take your place among the many who have made this their spiritual home, discovered their spiritual gifts and are serving God with passion and purpose. Partnership involves more than being listed on the church database as a member or attending regularly. Biblical partnership is something much more meaningful and exciting. Our Partnership

book explains fully the vision, values and culture of Rivers Church and is made available at the free Partnership course. As you work through this Partnership booklet, there will be questions to answer along the way and a form to complete at the end should you decide to partner. Once you have completed the booklet and handed in your form, you will be personally contacted and invited to a partnership welcome evening. We hope you enjoy discovering more about us and look forward to welcoming you as a partner very soon.

RESOURCES

A full range of equipping resources by the senior pastors is available. Visit our Resource Centre in the foyer for selected CDs, DVDs and Bibles. There is an excellent range of books and resources from recommended authors and speakers to help you become the person you want to be in Christ. Visit the online store at rivers.church/store

LIFE BY DESIGN TV

With the Life By Design TV ministry, Ps André reaches out and speaks beyond the walls of Rivers Church into the wider audience of Africa and Europe, encouraging them to live life by design, not by default.

This programme is funded through the generous and faithful givers of Rivers Church, and is viewed as another campus, as we minister to many thousands of viewers weekly and are able to reach not only the unchurched but Christians who no longer attend church. If you would like to sponsor a programme or make a donation towards this influential avenue of ministry then visit our Information Counter or go to our website. Please pray for and support Life By Design.

Each week the programme is enthusiastically received with SMSes and emails flooding our inbox expressing appreciation for the programme and asking for prayer as well as copies of the messages. Here is a sampling of the texts we have received:

"I am addicted to sex and my partner and I keep on fighting about it. I was thinking of cheating, but I heard your points on dealing with [addiction] and I will apply them."

"Brilliant! I am building a business at 62. You have no idea how God is using you."

SPECIAL MINISTRIES

RIVERS FOUNDATION

The Rivers Foundation provides a well-managed avenue for businesses and individuals to donate money and offer volunteer service for projects that alleviate the plight and suffering of the less fortunate. Annually, the Foundation considers credible beneficiary projects and organisations to support that are reputable and showing significant progress and results. Funds and volunteer service channelled through the Foundation are used exclusively for the projects to which they are allocated and no administration costs are deducted.

The Rivers Foundation supports 9 Acres of Love Homes on a monthly basis. Acres of Love exists to serve, rescue and care for the most vulnerable children most of whom are abandoned or orphaned due to AIDS, abuse, and extreme poverty in South Africa. Many of these children come to Acres of love homes on the brink of death, with substantial emergency medical needs that require immediate proactive intervention. Acres Homes welcome these children into family homes with full-time, loving house-parents who are trained and empowered to use the very best resources and support. Acres advocates for the rights of children to obtain world class health-care, education and nutrition. Many of Acres' children are able to launch into self-sufficient adulthood after the age of 18 or when they finish their studies or schooling. We use Acres of Love model to teach other homes how to care for the homeless and destitute children found in our communities.

CHANGED LIVES

Our Response Cards are a great way to make your needs known to us, as well as to celebrate your answered prayers with us. Every week, our pastoral staff prays for and contacts those who hand in prayer requests. We have seen God do amazing miracles!

I always leave church fulfilled.

This will be my 3rd year attending Rivers Church. I come from a Hindu home and was reluctant at first. Now I am so grateful to have been invited to church. There is definitely NO turning back! I am so proud to worship an amazing and gracious God.

About a year ago I found myself distant from God. I was in and out of churches and was in a place where it was fine if I didn't go to church every week. Then my brother introduced me to Rivers and it changed my life. I started serving on the welcome team, read my Bible and pray more and I went from an average student in high school to a top achiever at university. Overall I am happier, thank you!

How the year is ending is not how it started for me. I found God, He came for me and I am back in church. My family, my life and my future is in God and His will. Thank you for the prayers and support when my family needed it.

My daughter had a major improvement in her behaviour and schoolwork. Thank you for all the support and prayer. I am also grateful that we attend church together as a family.

THANK YOU FOR VISITING!

Please complete and hand in this card to let us know how you experienced church today!

SALVATION

The Lord declares that He has “plans to prosper you and not to harm you, plans to give you hope and a future” (Jer 29:11). God said this because He made you and wants to bless you. He knows you inside out and now wants you to have a personal relationship with Him through Jesus Christ. Jesus said, “No one can enter the Kingdom of God unless he is born of water and the Spirit.” This means that just as we were born naturally we need to have a spiritual rebirth. By making a personal commitment to believe in the Lord Jesus Christ and committing to follow Him, we experience spiritual rebirth. Jesus also said that He stands at the door of our hearts asking to come in. We have to make the decision to invite Him in; it is not automatic. If you have never prayed and consciously put your trust in Him, asking Him to come into your life, why not do so today by praying this simple prayer:

Father, I come to you in the name of Jesus. I accept Jesus Christ as my Lord and personal Saviour. Thank you Jesus, that you died on the cross for me, so that I might become a child of God. I ask you to come into my life and cleanse me from my sin. I thank you Lord that I can be born again and that my life can be new. Amen.
