## INTRO: 6 1 4

### VERSE 1:

6  
I've searched and I've found,  
1  
There's no name  
4  
That's higher than yours  
6  
When victory abounds  
1 4  
Or deep in the eye of the storm

### PRECHORUS

2  
I'm running toward you  
6 5  
Running into your arms  
2  
Let love overthrow me  
6 5  
And hope rise within my heart

### VERSE 2

On waters unknown,  
You're teaching me how to be still  
When fear takes a hold  
And doubt lays a grip on my soul

### PRECHORUS

### CHORUS 1

4 1  
I will lift my eyes  
6 5  
I will still my heart  
4  
When the world fades around me  
6 5  
Christ is my only hope

### VERSE 3

6 5/7  
Should trials arise  
1 4  
And trouble surround on all sides.  
6 5/7  
My heart will endure  
1 4  
My future secure in your love.

### PRECHORUS

### CHORUS 1

### CHORUS 2

I will lift my voice  
Till your work is done  
'Cos your love never fails me  
Christ is my only hope.

### INST: 6 4 1 5

### BRIDGE:

6  
Hope of the world  
4  
Hope gave it all  
1  
Carried the burden  
5  
When He took my fall

Hope for my soul  
Hope that can heal  
Hope in the battle  
Hope with-out fear

Hope made a way  
Lifted my head  
Hope in your promise  
In all that you said

Hope in the storm  
Hope from above  
Hope for a future  
Anchored in love

Hope through it all  
Light In The Dark  
Hope in the valley  
Leading my heart

Hope for today  
Hope that remains  
Hope for this season  
My hope in His Name!
