VERSE 1: 1

Heaven came when all was lost
To show a better way
The fathers son sent down for us
To take the sinners place

Verse 2: 1

To live a man and rise a king
Tearing through the grave
Life renewed through sacred blood
The Savior turned the page

Pre-chorus:

4 6
Like the son upon a new horizon

1 5
I have seen the light

4 6
No going back down the road I've
walked

5
No going back to who I was

Chorus: 1 4 6 4

No more sin and no more shame
No more hurt and no more pain
Death has lost its grip on me
The cross has overcome the grave
No more hiding from your light
Coz love came breaking through the
night
Mercy came to make a way
No longer I but Christ in me

Verse 3: 1

Living for a higher call
Chosen, set apart
With grace to shake the dust I've worn
And purify my heart

Pre-Chorus 2

Like the son upon a new horizon
I have seen the light
Who the son sets free is free indeed
I once was blind but now I see

Chorus: 1 4 6 4

No more sin and no more shame
No more hurt and no more pain
Death has lost its grip on me
The cross has overcome the grave
No more hiding from your light
Coz love came breaking through the
night
Mercy came to make a way
No longer I but Christ in me
