

Faithful

Rowan Laljith

Verse 1

Time again you showed me
There's nothing more to fear
Opened up my eyes to see
Your love surrounding me

Verse 2

I've heard of all the stories
The promises You've kept
Yesterday, today the same
Your word has never failed

Chorus 1

Now my heart is sure
You are faithful Lord
Through it all
You are here when I call

Verse 3

Why should I be weary
Why should my heart fade
For everything must bow before
The glory of Your name

Chorus

Now my heart is sure
You are faithful Lord
Through it all
You are here when I call

Chorus 2

As the seasons shift
And the night persists
Still I know
You are King over all

Bridge

If You said it
It is done
I will wait on You
You are faithful God
